The Digital Tape Library for V1 or V1 X-Server provides :

- Extended library capacity (1500 GB per set of 30 cartridges)
- Backup/restore feature through 100BT network
- Small form factor for the capacity (5RU)
- Independent operation from V1 or V1 Server
- Included VConvert software allows saving in different formats (Transcoding to other files formats or codecs)
- Lower cost than typical digital tape robot
